Re: *Approval of the Amendments to the Interconnection Agreement Negotiated by BellSouth Telecommunications, Inc and Z-Tel Communications, Inc Pursuant to Sections 251 and 252 of the Telecommunications Act of 1996*
Docket No. 05-00084

Dear Chairman Miller.

BellSouth is filing this letter to provide additional information about this filing in response to questions from the staff.

BellSouth Telecommunications, Inc. ("BellSouth") and Z-Tel Communications, Inc. ("Z-Tel") signed the Amendments on December 5, 2004 and December 6, 2004, respectively. On December 28, 2004, Z-Tel filed a Petition with the Authority requesting approval of a name change from Z-Tel Communications, Inc., to Trinsic Communications, Inc. (TRA Docket 04-00445). The Authority approved this Petition during the Conference on January 31, 2005, and issued its written order on March 7, 2005.

Subsequently, the parties filed the Amendments to their Interconnection Agreement with the Authority on March 28, 2005. We regret the delay in filing these Amendments, and we want to address any confusion about the name of the parties in this filing. Z-Tel was operating under its proper name when the Amendments were signed. Since Z-Tel's Petition for a name change was approved before these Amendments were filed with the TRA, we want to clarify that Trinsic Communications, Inc. is now the correct name of the entity submitting these Amendments with BellSouth.
